U-STARS~PLUS

U-STARS~PLUS is an instructional framework that empowers teachers to provide environments that nurture the intellectual and emotional well-being of young children (Grades K–3) who may be over-looked due to poverty, cultural/linguistic differences, and/or disabilities. U-STARS~PLUS provides high-quality science and literature instruction using 32 popular children's books, allowing teachers to respond to children's strengths with challenging, advanced educational experiences. In addition, U-STARS~PLUS extends learning into the home, engaging families in meaningful ways to support a child's academic success.
